This application is before the examiner for consideration on the merits.

I. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bruce Monroe on 28 October 2003.

AMENDMENT: The non-elected invention of claims 20-25 is canceled to put the instant application in a condition for an allowance.

II. The elected invention of claims 1-19 is searched and found to be allowable. The non-elected invention of claims 20-25 is requested to be canceled to put the instant application in a condition for an allowance. They are all being discussed.

III. The following is an examiner's statement of reasons for allowance: Ogawa et al (6,379,558) disclose, teach and suggest a method for treating development waste liquor comprising the steps of developing an exposed photosensitive resin printing plate adding a flocculating agent to the waste liquor and removing the resulting solids but fail to disclose, teach and suggest a silicate-free developer having a pH of more than 12, a functional property
